Healing Cancer Peacefully

By Nancy W Offenhauser

Round House Press, United States, 2009. Paperback. Book Condition: New. 213 x 140 mm. Language: English . Brand New Book ***** Print on Demand *****.Dr. Nancy Offenhauser's memoir takes the reader with unwavering honesty from her 2002 diagnosis of endometrial cancer to her 2004 cancer-free state. She leads us step by step through a wide range of natural medicines and modalities, entirely bypassing conventional allopathic medicine. Dr. Offenhauser's extraordinary medical memory reveals how she learned to listen to her own body by listening to her patients' bodies, including those damaged by pharmaceuticals and other procedures. Healing Cancer Peacefully inspires a renewed appreciation for the author's noninvasive, drugless chiropractic profession, as it was originally designed. Her chapter Mapping the Road to Cancer traces the author's illness back to such surprising influences as yeast, mold, Lyme Disease, stress, diet, past emotions, and overwork. Her bold, authoritative Disclaimer of a Sort, A New Look at Cancer, and Invisible Survivor further set this book apart. In this ecology-driven era, public acceptance of the natural healing of the body is the logical--and long overdue--next step. Healing Cancer Peacefully is today's convenient truth.
