

## Life in Sanchi Sculpture

Filesize: 1.33 MB

### ***Reviews***

*This book is definitely not straightforward to get started on studying but extremely exciting to read. It is really simplistic but shocks in the 50 percent of the ebook. Once you begin to read the book, it is extremely difficult to leave it before concluding.*

## LIFE IN SANCHI SCULPTURE

Abhinav Publications, New Delhi. Hardcover. Book Condition: New. First Edition. 163pp. For more than 150 years the monuments of Sanchi, because of their architectural Grandeur and sculptural profusion, have been a center of attraction for casual visitors as well as serious scholars, both Indian and foreign. Sanchi Monuments are the most imposing and the best preserved of all the monuments that early Buddhism has bequeathed to India. The four gateways of the Great Stupa, the only gateway of the Stupa 3 and the ground rail-pillars of the Stupa 2 preserve in their bas-reliefs an encyclopaedia of sights and scenes depicting the culture and civilization of the time. The depiction of sanchi art is numerous as well as various. Within the Buddhist framework the artists portrayed the panorama of life in the expressive language of the Buddhist and non-Buddhist motifs. Sanchi art ranks high as one of the earliest attempts to represent the contemporary life in its entirety. The present work Life in sanchi Sculptures by Dr. A.L. Srivastava is an attempt for the first time to represent a complete and comprehensive socio-cultural picture of Indian life between the second century B.C. and first century A.D. as revealed in Sanchi bas-reliefs. Men and women, princes and commoners, hunters and hermits, soldiers and servants, arms and armour, dress and ornaments, coiffures and cosmetics, conveyances and recreations-life in a thousand aspects both rural and urban-have been minutely revealed through this work. The book Life in Sanchi Sculptures is like a film screening war in progress, advancing and fleeing armies, fortifications, dwellings and shrines, royal processions, kings in court and people enjoying picnic, drinking, joy-riding and participating in water-sports, dance and music. Dr. Srivastva deals with various aspects of the life and culture as gleaned from the Sanchi panels. His critical studies are solid contributions,...
