Brand New Book ***** Print on Demand *****.If you cannot find time to spend with your kids; if you want to experience the satisfaction of supplementing your kids education; if you want your kids to be prepared for grades K-20, then it would be critical for you to be a part of the demonstrations and lectures of Udemy s online course, Getting Parents and their Kids on the Same Page. This workbook and Weldon s other book, Finding Perpetual Harmony, supplements this course that you can register for at // This workbook can also function by itself, as well. So, what is this workbook all about? This workbook will concentrate on methods for developing needed tools for kids study through demonstrations. Children everywhere need sound training in the reading, writing, and arithmetic areas, but the training needs to be given in creative and interesting ways so that the children will want to learn. Some people may think that it is impossible to plan innovative programs with a small amount of money, but there are vast resources available from existing materials at little or no expense....
