OUR BOOMTIME RATS - WHO DO THEY THINK THEY ARE?

Createspace, United States, 2013. Paperback. Book Condition: New. Brian Fitzgerald (illustrator). 229 x 152 mm. Language: English . Brand New Book ***** Print on Demand *****.Our Boomtime Rats - Who do they think they are? is a satirical memoir. It outlines the past couple of years of the author s life and where that fits into the whole story of the Irish recession. She berates the banks, the government, the public service, trade unions and RTE where she feels it is justified and tells the story from her personal standpoint (one that speaks for the ordinary people of the country, most especially, those on the lower rungs of the societal ladder - this book gives them a voice). It speaks out about the injustice felt by so many ordinary people, whilst others creamed off so much of taxpayers money during the good times and continue to enjoy outrageous perks even after their dismissal or resignation from office, in the form of golden handshakes . It is aimed at the ordinary people of Ireland and also at politicians and those in leadership roles, Irish celebrities and others who really know nothing about the real effects of being out of work, losing their dignity, having nothing to look forward to and nothing to get up for each morning. The book aims to give a human voice to the stark reality for so many people; those who have worked hard all their lives and had everything (which wasn t much, in the first place) taken from them, while those who displayed outright irresponsibility and neglected to heed economic warnings, have lost nothing, in comparison. The more one risked and the more one owes, the greater the bailout they can expect from NAMA. Justice and the notion of taking the consequences of one s...
