Reviews

This publication will be worth purchasing. It really is written in simple terms instead of difficult to understand. It has been designed in an exceptionally simple way and is particularly only right after I finished reading this ebook in which basically modified me, altered the way I believe.

COSIMO CLASSICS, United States, 2005. Paperback. Book Condition: New. 198 x 127 mm. Language: English . Brand New Book ***** Print on Demand *****.I will show that man has been so far made in the likeness of this Person of God, that He possesses all its essential characteristics, and that it is this God who has called man and all other living forms, whether animals or plants, into existence. And I will show this with so little ambiguity that it shall be perceived not as a phantom or hallucination. -from Chapter II: Common Ground Samuel Butler was a vocal apologist for theistic concepts, but this classic essay has been largely unavailable in standalone form since it first appeared as a series of articles in The Examiner from May to July 1879. Here, he decries pantheism; dismisses orthodox theism, which to him denies the physical existence of God to focus only on the spiritual; and goes on to explain his understanding of the likeness, or physicality, of God, and how it leads to the certainty of life after death. This is a vital work for appreciating Butler's other criticisms of scientific rationalism, including his 1879 book Evolution, Old and New. British author SAMUEL BUTLER (1835-1902) is best known for his satire Erewhon.
