

Brighten Up: Smart Tools to Excel in Reading, Writing, Memory, Vocabulary, Spelling, Notes, and English Usage

By Edward Droge

Createspace, United States, 2013. Paperback. Book Condition: New. 203 x 127 mm. Language: English . Brand New Book ***** Print on Demand *****.What Smart People Know There is a guiding principle accessible to you right now that can dramatically change your life at school or at work or in your leisure pursuits. It is simple - that is, it is not complicated and not difficult to grasp. It is powerful - that is, it leads you to a highly efficient, highly productive use of time and energy. And it is virtually instant - the moment that you embrace it, you will begin to reap its benefits. The principle involves a key understanding of how the world around you operates and it opens for you a clear path to enormous success. The initial action required is not labor-intensive and does not require a certain level of previous training or achievement - it is attitudinal, a recognition of your environment and a commitment to place yourself appropriately and successfully within it. Dr. Droge explains this principle and provides smart tools that complement it, quick and simple and powerful tools that are used regularly by highly successful students, professionals, and others in the...
