Createspace, United States, 2014. Paperback. Book Condition: New. 229 x 152 mm. Language: English . Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*.Whether it is due to a traumatic experience or whether a person is lead to exploring their own inner curiosity. at some point in our lives, each and every person, finds themselves questioning their existence. What is the meaning of life? What is God? Who am I? Why am I here? What is my purpose? Is there an afterlife? Etc. This topic of exploration is called Meta-physics, which merely means delving and understanding life beyond our human physical senses. And. These are just some of the topics of exploration that Ali Guggenheim addresses in this book. Ali Guggenheim has been a treasured columnist for The Vegas Voice magazine for over five years. Body, Mind, Spirit and Beyond - exploring the magical mysteries of life, is a compilation of articles from her column. The spectrum of topics Ali writes about are an eclectic collection representing a variety of aspects of our human existence. This includes their origins, culture, the evolution of their purpose and use, their historical footprint and even, when applicable, exercises on how to try some of the processes for your self. As the author of her highly popular Psychic Phenomenon articles, Ali has an uncanny ability to bring words to action which enables her to successfully connect with readers. Her entertaining trivia, wonderful writing ability and her knowledge of such a variety of difficult subjects is a trait that few writers possess. A life seeker herself, Ali wanted to convey to others her understanding of the vast unknowns and myths between body, mind, spirit and soul and sought to understand where the different sources of wisdom stemmed from. Her insightful and easily comprehensible articles explain the...
