## NUMEROLOGY FOR NITWITS

iUniverse. Paperback. Book Condition: New. Paperback. 132 pages. Dimensions: 8.9in. x 6.0in. x 0.3in. This fascinating volume explains numerology. The author has studied hundreds of books on the subject and after finding more confusion than clarification, she has tried to set down the basics in a simple, easy-to-understand manner. Comparing the ancient Fadic system with other numerology systems, she checked names and birthdays for several years before concluding the Fadic system was the most accurate. You dont have to accept reincarnation to understand numerology, but it helps. Our numbers tell us what we came here to do, indicate what our karma is, and what we will have to contend with in arriving at our destiny. Instead of proceeding haphazardly through life, numerology maps out a course for us to follow. This book can be the start of a new life for you and your family. This item ships from multiple locations. Your book may arrive from Roseburg,OR, La Vergne,TN. Paperback.
