Createspace Independent Publishing Platform, United States, 2015. Paperback. Book Condition: New. 229 x 152 mm. Language: English . Brand New Book ***** Print on Demand *****.This is a MUST READ book for ALL Gold and Silver Investors who want to stay off the radar and remain TOTALLY PRIVATE. Readers are loving this book! There is so much confusing and contradictory information in the marketplace about this subject. As you know, PRIVACY has become a huge issue these days. We probably have less privacy now than at any other time in the past. Probably like you, I m a hard working, tax-paying, God fearing American and I value my privacy. The great news is, precious metals can be one of the most private investments you can make, IF you do it correctly. This book will carefully walk you through it all and sort out the truth from the myths. It will clearly show you the smart way to invest in metals so your investments will be completely invisible to everyone. including the government. If you get this wrong, it can devastate your investment plans. If you get this right, you will sleep like a baby at night knowing much of your wealth is off the radar. It is truly a must-have book. I shouldn t have to say this but this book is completely above board and totally compliant with the laws of the United States. You will find nothing here that talks about circumventing the laws and/or taxes, or doing anything at all that is not completely 100 above board. If you do this correctly, there is no need to even think about bending any laws. The laws are already there. And they are very favorable to precious metals anyway, if you follow the rules. This book simply shows you...
