Victoria Damone is the daughter of the Black Dragon God, Jarel, and the goddess of magic and witchcraft, Hecate. Quick tempered and impatient, she strikes fear into the hearts of the rogue creatures rebelling against her father as well as the warlocks, servants of Prince of Darkness, Lucifer. Ares, the god of war, is often misunderstood. Known only as a brutal god with an insatiable appetite for blood and destruction, as well as passing flings, the son of Zeus and Hera has spent most of his time defending Olympus from any and every threat. Now the two meet and must combine forces. The Titan King, Cronus, has been resurrected by Lucifer and is quickly resurrecting his brethren to launch war against Zeus and all that stand with him. Not only this, but hes even joined forces with the legendary beast Typhon, the only creature to ever come close to toppling the Olympian god king. As the gods prepare for an unavoidable war, Victoria must hunt one of the most powerful and cunning warlocks to serve under the Prince of Darkness and simultaneously train her nephew Brandon in her craft. Her pride demands that she do this alone, but Ares is not a god to be denied. Ares clearly has his eyes on Victoria, but can she trust the notoriously wild and unpredictable gods intentions This item ships from La Vergne, TN. Paperback.
