Reviews

This is the finest book i have got go through right up until now. I have got read and i also am confident that i am going to planning to read once again yet again in the future. You will not truly feel monotony at at any time of the time (that's what catalogs are for about if you check with me).

BLUE RABBIT AND THE RUNAWAY WHEEL

[DOWNLOAD](#)

Dial, 2001. Book Condition: New. Brand New, Unread Copy in Perfect Condition. A+ Customer Service! Summary: Picking up where Blue Rabbit and Friends left off, Blue Rabbit is pedaling along on his bicycle looking for adventure. Unfortunately he does not pay attention to the road! He crashes into a rock and the wheel spins off his bicycle and rolls away. While searching for the missing wheel, Blue Rabbit meets some angry animals along the way who are upset because a strange "whizzing" thing has knocked them all down. As each animal tells his sorry tale, Blue Rabbit has a growing suspicion of just what this mysterious object may be. Will the hapless Blue Rabbit find his wheel in time to make a quick getaway? Illustrated with the author's highly-praised linocut artwork, this is a marvelous follow-up to Blue Rabbit's previous outing, Blue Rabbit and Friends, called in a starred School Library Journal review, "A simple treat from an author who knows how children's minds work".
