

Unconscious Memory: General Ignorance on the Subject of Evolution

Filesize: 6.01 MB

Reviews

Comprehensive guideline for ebook fans. I have read and i am certain that i am going to going to go through yet again yet again down the road. You wont truly feel monotony at whenever you want of your own time (that's what catalogs are for concerning when you check with me).
(Keegan Abernathy)

UNCONSCIOUS MEMORY: GENERAL IGNORANCE ON THE SUBJECT OF EVOLUTION

Createspace, United States, 2015. Paperback. Book Condition: New. 254 x 203 mm. Language: English . Brand New Book ***** Print on Demand *****.Unconscious Memory - By Samuel Butler. As this paper contains nothing which deserves the name either of experiment or discovery, and as it is, in fact, destitute of every species of merit, we should have allowed it to pass among the multitude of those articles which must always find their way into the collections of a society which is pledged to publish two or three volumes every year. . . . We wish to raise our feeble voice against innovations, that can have no other effect than to check the progress of science, and renew all those wild phantoms of the imagination which Bacon and Newton put to flight from her temple. - Opening Paragraph of a Review of Dr. Young s Bakerian Lecture. Edinburgh Review, January 1803, p. 450. Young s work was laid before the Royal society, and was made the 1801 Bakerian Lecture. But he was before his time. The second number of the Edinburgh Review contained an article levelled against him by Henry (afterwards Lord) Brougham, and this was so severe an attack that Young s ideas were absolutely quenched for fifteen years. Brougham was then only twenty-four years of age. Young s theory was reproduced in France by Fresnel. In our days it is the accepted theory, and is found to explain all the phenomena of light. -Times Report of a Lecture by Professor Tyndall on Light, April 27, 1880.
